

Circle of Security®

All children want to feel loved and safe. The Circle Of Security® parenting program has been developed with decades of evidence on ways to strengthen secure parent-child relationships.

The program supports parents to provide children with the confidence and freedom to explore their world while feeling a sense of comfort and security. The program assists parents to see behaviour as communication rather than a problem. Experienced and trained Circle Of Security® Family Life practitioners will facilitate the group sessions.

The Circle Of Security® parenting program will help you:

- Support your child's self esteem
- Tune in to your child's world by reading important cues
- Understand your child's emotional needs
- Connect with your child and enjoy being in the moment
- Strengthen your bond and attachment with your child
