

Student Uniform and Grooming

The St George's Anglican Grammar School uniform has been designed to develop a school identity and give students a sense of pride and belonging to the School. It is expected that students wear the uniform correctly when attending and travelling to and from school.

At sporting matches and practices or during Physical Education lessons and relevant co-curricular activities such as carnivals, full sports uniform or other prescribed dress must be worn.

PERSONAL GROOMING

There is a requirement that the dress and personal grooming of our students will reflect the high standards expected. This is of particular importance when students are seen in uniform in the wider community. Students are also expected to maintain the code of dress and grooming on the sports field, or as spectators as at all times, they are representatives of St George's.

GUIDELINES

- Winter uniform is worn in Terms 2 and 3. Summer uniform is worn in Terms 1 and 4.
- Blazers are to be worn to and from school in Terms 2 and 3. They are to be worn throughout the day but may be removed in class for comfort or activity. They are to be worn to Chapel on Mondays (Senior) and Thursdays (Junior) throughout the year.
- School jumper and blazer sleeves are not to be pulled up to the elbows and jumpers/blazers should not be tied around the waist.
- Undergarments are to be either white or skin tones and are not to have motifs or patterns that are clearly visible through the dress, white shirt or sports polo top.
- Shirt buttons must be done up when wearing the School tie, and only the top button should be left undone in the summer terms (Terms 1 and 4) when no tie is worn.
- Skirt and dress length should touch the top of the knee cap.
- All uniforms are to be kept clean, pressed and in good condition. Uniforms must be ironed and free from stains or marks.
- School bathers are optional for swimming lessons and Interhouse swimming but are **compulsory** for Interschool swimming events. Bathers used for all School swimming sessions should be modest in their nature and be one-piece. No two pieces are permitted.
- New school shirts purchased for the 2025 school year are designed to sit at hip level and do not need to be tucked in. Students choosing to wear the old shirt during the uniform transition period must have it tucked in at all times.
- From 2025 all students are to wear the same school tie, regardless of which shirt they choose to wear. The school bow tie is no longer available for purchase and is not to be worn.
- School shorts may be worn instead of long pants, if preferred, as a part of the Winter uniform.
- Sports Uniform and Academic Uniform are separate uniforms and are not to be worn together.
- Sports Uniform and/or Dance/Drama Uniform may be worn home at the end of the day if a student has sport/drama or dance in Periods 5/6, or to School at the beginning of the day if a student has sport/drama or dance in Periods 1/2.
