## What is a School-Based Traineeship?

A School-Based Traineeship is a training contract between an employer and an employee (student) in which the employee completes a Nationally Recognised Qualification whilst at school. Students must be a minimum age of 15 years and enrolled full-time at school.

## School-Based Traineeships combine:

- Part-time paid practical experience in the workplace 1 day per week (7.5 hrs)
- Training may be supervised on the job, delivered off the job, or a combination of both
- Formal, structured training with the Registered Training Organisation
- Continuing school studies 4 days per week
- Credit towards WACE

## Benefits of choosing ATC Work Smart?

Have a dedicated ATC Work Smart Field Officer to support you every step of the way and lead you to success. You'll be able to contact your mentor when you need them, plus they regularly visit you in the workplace to offer guidance and support.

## What's in it for me?

- Earn while you learn
- Try out a career, get hands on experience in a real job
- Gain a nationally recognised qualification
- Support workers are in high demand, multiple job opportunities are available
- Gain the skills and knowledge that could lead you into further study
