Welcome

We hope everyone is well in the current climate and managing the return of home schooling. Please contact the careers office if you have any questions regards to 2021 VET enrolments, course selections or 2021 tertiary applications.

Yr 12 News

2021 VTAC Course Application. Students are required to register for their VTAC account by 30 September, 5pm for a timely application. Students can add, delete and move their preferences until 4th January 2021, 12pm. **VTAC SEAS and Scholarship** applications are also open and close on 9th October, 5pm. Please see Compass Newsfeed for full dates and a copy of the student VTAC presentation.

VTAC are running a series of parent information sessions. Please see Compass Newsfeed for full details and links.

Year 12 students will have an individual Careers Interview this term to discuss the VTAC process for the VTAC Application for Course Preferences.

Universities and TAFEs will not be able to run Open Days on campus due to COVID-19. Many universities are holding online webinars for their Information Sessions. Keep a look out for any Compass Newsfeeds and the University websites for information when they are being held. This is a great opportunity to explore what courses the universities and TAFEs are offering. Institutes

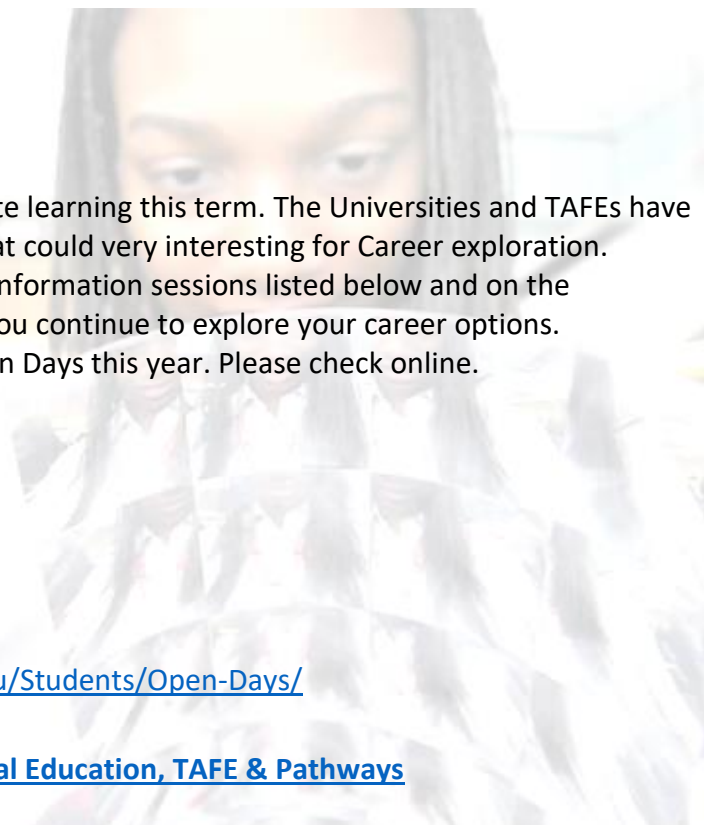

are also making recordings of some the of information sessions available to students and parents after the Open Day. Please see Compass Newsfeeds and Institute websites for updates.

Careers & Jobs

[A day in the life of a speech pathology student at ACU](#)

Shivani Vummidi is an ACU student studying speech pathology. If you've wondered what a typical day in the life of a student looks like, follow Shivani along as she takes you through her daily activities.

Read about it on ACU's blog here: <https://www.impact.acu.edu.au/future-student/a-day-in-the-life-of-a-speech-pathology-student>

[A Career in Architecture](#)

A career in Architecture presents so many opportunities, read about the [pathways](#) that could get you there.

No time to read, no worries. Here's a [podcast](#) that asks architects from around Australia how they continue to learn and develop their practices in their fast-evolving profession.

We found these resources on the Australian Institute of Architects website, there's plenty more information on there too, if you'd like to find out more.
