

Personal Learning Plan Scholarship for 2025

Application Form

The PLP Scholarship, donated by former teacher Karen Speros, is designed to assist students to continue their education at the College in Year 11. The scholarship provides \$1000 towards tuition costs for one year.

General

1. Entry to the scholarship is open to all Year 10 students that successfully completed PLP with an A+, A or A- Grade.
2. Students must be continuing their education at St Philip's College in Year 11.
3. Students must complete the application form and send it with their resume to Leslie.tilbrook@stphilips.nt.edu.au on Tuesday 26th November. **NO LATE APPLICATIONS WILL BE ACCEPTED.**
4. Students must be available for an interview on the Wednesday 27 November.
5. If the successful candidate for the PLP Scholarship chooses to not enrol for study at St Philip's College, the scholarship will be revoked.
6. Should a satisfactory standard not be maintained, or an action occur which is deemed to be inappropriate for a student at St Philip's College, then the Deputy Principal and Principal, may decide to revoke the scholarship for a particular student.

Interview

1. Students must present themselves at the Principal's office at the time allocated to them, unless prior arrangements have been made.
2. The interview will be approximately 10 minutes and candidates should be prepared to discuss their future study, training or career plans.
3. Please ensure that the resume you send is of high quality and set out properly. Mistakes on your application or resume will hinder your chance of success.
4. Students should be in correct school uniform and following the jewellery rules for the interview. It is also expected that they maintain this high standard every day.

SUBJECT CHOICES FOR 2025

SEMESTER ONE

In 1000 words or less describe;

- **Your interests both in and outside of school**
- **Your participation in St Philip's activities especially school camps and carnivals.**
- **How the PLP course helped you to clarify your goals and make decisions for the future. Be sure to include any relevant work experience or class activity that contributed to your choice of future pathways. Also, discuss a capability that you have developed this year.**
