

The Trinity Times 27th August 2020 Issue 002

Powering through homeschooling can indeed be hard. But we have not yet stopped and will never stop powering through. This week our school buddy's from year 6 and prep will be sending each other videos online. Also just as a reminder, if you are able to send letters try your best to stay in contact with each other. If you have anything you want to add please send content to fscroggie@tcs.catholic.edu.au Have a great weekend everyone, enjoy the nice weather for the next couple of days.

SPORT:

The Brisbane lions have come out on top of saint Kilda with a 2-point victory taken after the siren. Collingwood has also beaten north Melbourne in a 29-point victory.

PET / ANIMAL OF THE WEEK

PET NAME:GiGi

AGE: 14 weeks

OWNER:Melina Xenos

Contributing Writers: **Amy and Thoa-Anh**

This Week in 5/6FA we have enjoyed the class meets every day. We have worked on our Reading In which 5/6FA are reading the book called Lion the author is Saroo Brierley. The story is about a boy in India living in the streets and getting adopted by an Australian family because he got lost in India and couldn't find his way home.

In Writing, we wrote an Information report about India so that we could better understand the place where Sarro lived for a short time. We had to include the headings- **Description, Location, Religion, Climate, Customs and a Conclusion.**

In maths, we had to do a pre-test for patterns and algebra. When we finished the pre-test we had to do our set ILPs (Individual Learning Plan) to help us learn what we didn't know in the pre-test. If we got below 70% on that ILP. If this happens we have to ask Mr Anaina to reset the ILP for us.

We have also done lots of work in our inquiry unit 'care for the kids' and have updated our workflow each day with a new task from the Mappen (online learning website). This workflow is also for our religion work as well where we have been analysing a scripture passage called the sheep and the goat
