

PREP D

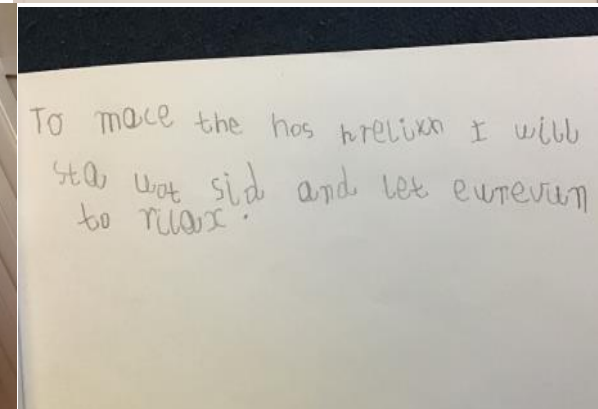

This week in Prep we are looking at the SMART Spelling word 'king'. The students are learning about the sounds in the word 'king'. They have learnt about the digraph 'ng' and have been practicing their handwriting using the sentence of the week. The students are becoming really confident with stretching and recording the sounds in their words. As a language experience Prep D made crowns and became kings. The students wrote about what they would do if they were a king. They are all so proud of their writing!

The king is going to sing all of his songs.

king

If I was a king, I will buy a paper.

If I was a king I will eat for 10 of get.

I will give 50 dollar and 20 dollar.

If I was a king I would make people happy.
