

Zambrero Wagga is hosting a Meal Packing event with our affiliates at Stop Hunger Now. At this event we will be packaging meals to send to people living in poverty. We would like to extend an invitation to you, your staff and your students, to join us on Friday the 16th of October and help us package these meals.

We will be running 2 sessions on the day, the first will be from 11am-1pm and the second session will be from 5pm-7pm.

At Zambrero we don't just make burritos our mission is to end World Hunger through our Plate 4 Plate initiative. For every Burrito or Bowl that we sell we donate a meal to people living in poverty or who have been affected by a natural disaster. This is often done through schools as we also believe an education is just as important as I'm sure you will agree.

All meals packaged on this day will be donated here in Australia as well as to the Philippines via International Care Ministries (ICM). The need there is great and immediate due to the recent natural disasters that displaced thousands of people. Please refer to the link below for ICM website where there is further information on where the meals are going <http://www.caremin.com/>

Hunger is a hidden crisis in Australia with 1 in 10 Australians – half of whom are children - seeking food relief each year. Over 60,000 people are still being turned away from charities empty handed each month due to a shortage of food and resources. Zambrero's partnership with Foodbank will one day bridge that gap and achieve the vision of an Australia without hunger.

If you would like to place an ad in your weekly newsletter to encourage students and their families to come along it would be very much appreciated, everyone from all ages are welcome.
