

## Jungle Book Production – Important Update & FAQs

**Dear Families,**

We are thrilled to share that our *Jungle Book* production is almost here! The sets are coming to life, and the students have been rehearsing daily – it's all really coming together beautifully.

A huge thank you to the families who have already sent in their children's costumes. If you haven't done so yet please ensure all remaining costumes are brought to school by Monday, 1st September. This will help us make sure everything is ready for the big performances.

We also understand that you may have some questions about next week, including timing slots, where to drop off students, and when costumes will be returned home. To help, we've put together a list of FAQs below:
