SCHEDULE OF FEES 2024

ABOUT OUR SCHOOL FEES

Catholic schools receive less funding than Government Schools and our school fees are charged to families to make up this deficit in funding.

School fees at Galilee are made up of two components namely, the Family Fee and Student Levies.

ANNUAL SCHOOL FEES DUE DATE

Annual payment of school fees is due and payable by 25th February.

The School offers several fee payment options as set out below. The person named as the Debtor for your child/ren's account will receive a detailed Statement once the 2024 school year commences.

Family Fee

The **Family Fee** is charged per family whereas the **Student Levies** are billed per child. These Fees and Levies vary for each year level and are set out in the table below.

Student Levies

Levies are charged for various activities undertaken during the school year.

These Levies are per child, not per family.

Levies are spent directly on the children's needs for curriculum such as: texts, art materials, photocopying, excursions, camp and swimming.

As children in each level participate in different programs the Levies may vary for different year levels. The Levies are set out and itemised below for each year level.

Camp

All Year 6 Families will need to have paid a minimum of \$400 towards their 2024 school fees by 25th January in order for their child to attend Urban Camp.

Year 4 families will need to have paid \$400 by 25th January due to the early departure of the Camp in 2024.

Year 5 Families will need to have \$400 by 25th February due to the timing of the Camp in 2024.

Please note, in **2024 all fee payers must inform the office of their payment option** via a link that will be sent in early January 2024 to the email address of the person who has been nominated as the fee payer.

*IF you **DO NOT** have a **Google Account** you can either choose to use your child's email address to access the form or send an email to admin@gsm.vic.edu.au indicating your payment option choice. Please be sure to include your eldest child's name and 2024 year level in the email for our reference.*
