WHAT'S BEEN HAPPENING

Dear families,

We've had another fun and busy week here at TK! It's been great to welcome a few more children into our before and after school care program, and we're really enjoying getting to know everyone better.

The children have been busy following their interests and trying out new things. This week's activities included Jack-o'-Lanterns, Juice Bar, Attitude Cards & Origami Love Hearts. It's been wonderful watching the kids work together, share ideas, and show kindness in their own ways.

Coming Up Next Week: Cultures Around the World!

Next week, we'll be learning about different cultures from around the world through art, games, music, and stories. We'll also be giving the children a chance to share their own culture — whether it's a favourite song, tradition, or something special from home. We'd love for you to chat with your child about what they might like to share. It's a great way for everyone to learn more about each other and celebrate what makes our community so diverse and special.

Thanks again for another great week. We're looking forward to all the fun ahead!

Eric

Director of Team Kid Before and After School Care
