ASPHALT | CONCRETE | CIVIL CONSTRUCTION

5th February 2020,

TO THE OWNER / OCCUPIER

Dear Resident,

**TRAFFIC SIGNALS CONSTRUCTION SPRINGVALE ROAD AT INTERSECTION WITH HILLCREST GROVE AND HEATHER GROVE**

On behalf of the City of Greater Dandenong, Prestige Paving will be undertaking the construction of new traffic signals at the above intersection.

The works will include the following:

- Construction of New Traffic Signals
- Construction of additional Public Lighting
- New Pram Crossings and Concrete Footpath
- Asphalt Resurfacing
- New Linemarking
- Modification of concrete island medians
- Upgrade Road Signage

The works are scheduled to commence the week beginning 10<sup>th</sup> of February and are expected to be completed within 10-12 weeks, subject to weather and site conditions.

Working hours will be:

- 9am to 3:30pm (Mon-Fri)
- 7am to 5pm (Saturdays if required)
- 7pm to 5am (4 nights for asphalt resurfacing at the back end of the project)

We will be implementing Vicroads and Council approved traffic management measures in order for the works to be conducted in a safe manner for our workers and the general public.

Local residents will be permitted to enter road closures and full access to properties will be maintained.

The works will cause some disruptions although every endeavor will be made to keep this to a minimum. We also ask you to follow all instructions issues by our dedicated traffic controllers, primarily for our and your safety.

Please contact me in the first instance on 0400 487 656 if you have any queries. Alternatively, can you can also contact Councils Project Manager Nilani Pandithan on 0409 648 361.

Kind Regards

Bobby Hristovski
