

Friday 19th March

THE
**RESILIENCE
PROJECT**

2021 Rainbow Fun Run for Resilience

The [Colour Explosion Fun Run](#) is a Fun Run event with a colourful twist, and a rainbow finale that can't be missed. It's the most exciting run to bring students together and share in the fun!

This year we partner with The Resilience Project, supporting mental health in the classroom and staffroom!

The Resilience Project improves self-esteem, confidence, wellbeing, emotions and relationships through a series of activities and teachings to better learn and practice Gratitude, Empathy, Mindfulness (GEM).

As students navigate the Fun Run course, the air is filled with non-toxic, vibrant Holi Colour Powder, boosting school spirits and raising profits to benefit the whole school community.

The amazing corn-starch powder is 100% safe for skin and eyes. Rest assured that the Colour Explosion Fun Run is harmless, fun and environmentally friendly.

1. Receive your Sponsorship Booklet via Classroom Tub

Booklets contain instructions, prizes each feature a unique code for a chance to win free sponsorship amounts

2. Log on to www.myprofilepage.com.au to Create a Profile

Set your avatar, edit your story, self-donate and share your profile all for bonus points

3. Set fundraising goals by selecting a "wish list" of prizes

Students can select prizes that interest them and the fundraising goal is automatically updated and set at an amount that would allow chosen prize redemption

4. Start Raising Funds by sharing your fundraising profile

Profiles can be automatically shared to social media, or the url copied to share via email and sms

5. Submit your sponsorship total and order your prizes!

Prizes must be ordered through online profile by Friday 26th March

Please note: This is a completely cashless fundraiser. **NO CASH ACCEPTED.**
All sponsorships should be donated online through www.myprofilepage.com.au
