Introduction

To comply with the requirements of the Victorian Occupational Health and Safety (OHS) Act 2004 and the Victorian OHS Regulations 2017 the Department of Education (the Department) has implemented an OHS Management System (OHSMS) in all Victorian Government schools.

The OHSMS requires all volunteers to:

- · report to the general office or designated site contact upon arrival at site
- complete an OHS induction using the Volunteer OHS Induction Checklist
- sign in and out and ensure their visitors pass is worn at all times whilst on Department or other premises
- have a current Working with Children Check, where applicable.

Department Health, Safety and Wellbeing (HSW) Policy

The Department has the Health, Safety and Wellbeing Policy, which has been endorsed by the Department Secretary and can be seen below:

Health, Safety and Wellbeing Policy

Scope: This Policy applies to all employees, visitors, volunteers and contractors in Department of Education and Training (DET) workplaces and activities, and instances when performing work offsite. The Department commits, so far as reasonably practicable, to:

Management

- willingness, and ownership, relating to reporting, and addressing health, safety and wellbeing
- rehabilitation and return to work

Consultation Commitment

Consult, collaborate, and communicate with employees including health and safety representatives on

- identifying hazards, assessing risks, and making decisions about the measures to control risks to health and safety the workplace that may affect the health, safety, and wellbeing of persons
- issue resolution
- provision of health, safety and wellbeing information, training, instruction, and supervision and supervision the firm of the supervision and the firm of the supervision the firm of the

Drive Continuous HSW Improvement Commitment وَ مُ

Support continual health, safety and wellbeing improvement by:

- improving the suitability and effectiveness of the OHS Management System through regular monitoring and review of policies

- establishing and monitoring progress towards progress towards measurable objectives and great performance progress towards measurable objectives and targets aimed at reducing work-related injury and ill health and improving safety performance and targets

 using data to provide an exidence-based resources to efficiently integrate and maintain the Department's strategic direction and identifying measurable objectives and targets

 allocating adequate resources to efficiently integrate and maintain the OHS Management System to comply with relevant legal and compliance obligations.

Building Capability Commitment

Support building capability by:

- embedding individual health, safety, and wellbeing accountabilities for all employees across health and safety
- increasing awareness and improving utilisation of the safety supports and resources available

Management Commitment

Support the prevention of workplace injuries and ill health by:

- strengthening systems of work for identifying, assessing, controlling, monitoring, and reviewin hazards and associated risks arising from task / workplace activities
- not possible minimise) risks, in the workplace by implementing controls in a timely manner
- misses, injuries and hazards and investigating where appropriate, to prevent reoccurrence
- Management System that is flexible and adaptable to the risk profile of Department workplaces

The Department employees, visitors, volunteers and contractors are required to take reasonable care for their own health, safety and wellbeing and others that may be affected by their actions or omissions. These parties will cooperate with the Department in adhering to health and safety requirements including following the Department's policies, procedures and/or instructions and participating in consultation and training.

The Department's OHS Management System sets out how this policy is to be implemented

Jenny Atta Secretary 19/01/2022

Required conduct/behaviour

All volunteers are expected to abide by the workplaces code of conduct while on site.

This includes:

- No smoking on school grounds or within four metres of an entrance to all Department workplaces.
- No alcohol or drugs are to be consumed on any Department premises. Any volunteer under the influence will be dismissed.
- No offensive language is permitted on any Department premises.
- Noise must be kept to a minimum. If this is not practicable, then non-urgent work should be scheduled outside of school hours, where possible.
- Possessions, materials, and equipment should be secured and not left unattended.
- Abide by the workplaces traffic management procedures.
- Entrance to other areas of the Department workplace aside from the work area is prohibited, unless otherwise agreed to.
- Remove all litter and debris from the workplace.
- Report any problems, hazards, or incidents to the principal or their delegate.
- Dress appropriately and wear the correct personal protective equipment suitable.
- No pets are permitted on Department premises.

Access arrangements

Access

All volunteers must report to the general office or site contact and sign in upon arrival at the workplace or designated point where not on Department premises. This requirement is indicated on signage located at all entrances to the school, see below:

Traffic Management

Volunteer workers vehicles are to enter and exit the school grounds via the following locations:

- Wentworth Avenue Staff Car Park Entry when available (evenings)
- Wentworth Avenue Staff Car Park Exit when available (evenings)

Designated pedestrian crossings are:

Located on Wentworth Avenue and Dandelion

Vehicles entering school grounds must adhere to all traffic signage. Where there is no signage, vehicles are to move at walking pace at all times. If a vehicle has limited visibility or mobility, a spotter should be used when the vehicle is in motion.

Volunteer workers are not to operate vehicles on, or around, school grounds during designated drop off/pick up times or during break times:

Drop off: 8:45am – 9:00am

Recess: 10:45am – 11:15am

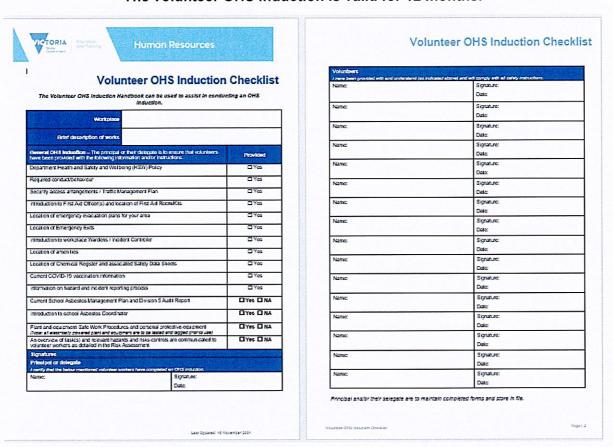

Lunch: 1:25pm – 2:15pm

• Pick up: 3:15pm - 3;30pm

OHS Induction

Upon arrival at the site, you will be required to complete an OHS Induction covering the site-specific risks.

The volunteer OHS induction is valid for 12 months.

Site specific hazards

Asbestos

All schools are expected to have a Schools Asbestos Management Plan in the event of the discovery of suspected asbestos containing material (ACM) or the accidental disturbance of existing ACM.

If ACM has been identified in the school, the following process must be followed prior to the commencement of works:

- Asbestos Register MUST be checked at the time of sign-in when the proposed work involves drilling, scraping, sanding, sawing or any other destructive process.
- if work is to be carried out in the vicinity of Asbestos Containing Material, the Asbestos Coordinator Brendan Garvey on 9752 8555 must be consulted prior to the commencement of work.
- asbestos containing material may only be removed by a licensed removalist.

Hazardous Substances and Dangerous Goods

If transporting hazardous substances or dangerous goods onto site, the principal or their delegate must be informed. You must complete a Safe Work Method Statement or equivalent to outline the controls methods you will use to ensure that the risks of the hazardous substances and/or dangerous goods are managed.

Such controls may include, but are not limited to:

- the provision of Safety Data Sheets (SDS)
- · correct labelling of containers
- correct storing and handling of containers
- · correct disposal of any waste
- provision of personal protective equipment (PPE).

Animals/Wildlife

There is the potential to come into contact with domestic animals and wildlife while on this site. Should this occur, you must:

- do not approach any domestic animals (e.g., dogs) or dangerous wildlife
- report the sighting of any domestic animals or dangerous wildlife to the principal or their delegate
- do not reach into any holes or gaps in the buildings without first checking to see if it is safe.

Emergency Management

Emergency Procedures

On hearing the alarm:

- · switch off all equipment
- · proceed to the advised assembly area
- · report to one of the wardens
- · do not leave the assembly area until advised.

Leaving Site in an Emergency

All volunteers are required to proceed to the evacuation point and remain there until given clearance to leave by the Incident Controller or principal or their delegate.

Evacuation Point

The evacuation point is located at SCHOOL OVAL refer to Evacuation Map (Appendix A).
