

# KELLY CLUB AITKEN NEWSLETTER TERM 4

The children at Kelly Club have been very creative the past few weeks. They have been engaged in many different art and craft activities. We celebrated Halloween by making some spooky Halloween skeletons, monsters and ghosts using tissue paper, cotton buds and gloves.

The children really enjoyed making Halloween crafts, they get very excited and like to discuss with one another about trick or treating and the types of costumes they are wearing.

As we had a short week during the week of Melbourne Cup, the children made some Melbourne Cup day crafts for the remaining 3 days by creating horses out of paper plates, trophies using paper cups and made some fancy hats. The children were able to use different materials to decorate, this included pipecleaners, feathers, gems, and flowers.

## Reminder-

*As the weather is warming up please bring in a spare hat for your child/ren to keep at the program as they are required to wear them for outside play.*
