

①
Hello friends,

It was good to hear about you and your school. Now let us introduce you about our school, Delhi World Public School.

Agartala (DWPS). It is located in Agartala, capital city of Indian Northeastern State Tripura.

Our school is one of the beautiful school in Agartala. It has a developed infrastructure, air conditioned classrooms, lush green play grounds, big swimming pool and a large auditorium.

Our school has a strength of around 500 students who can speak various languages like-

i) English

ii) Hindi

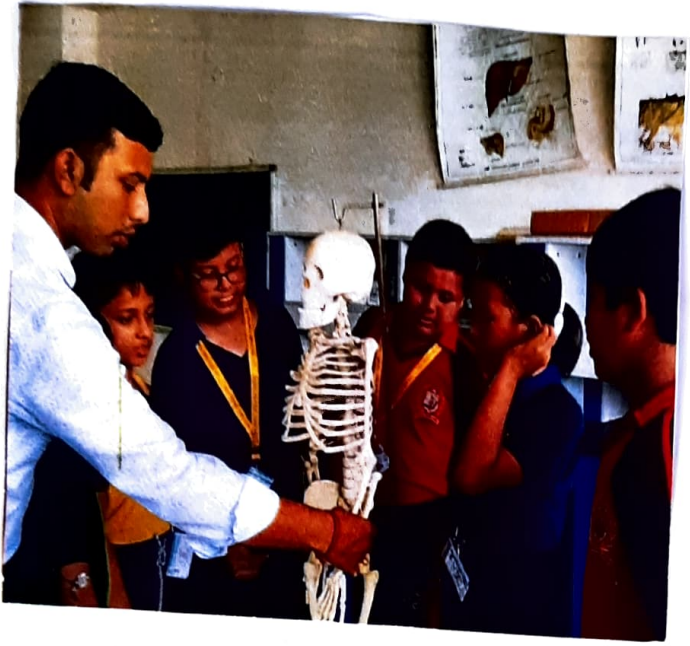

iii) Bengali and

iv) Kokborok.

Apart from these languages we are taught Sanskrit - mother of all languages from classes 5th to 8th.

In our school learning is made more interesting through the smart classes. Activity based learning is done in Science lab, Maths lab and Computer lab.

We start our day at school with Yoga⁽⁴⁾ that helps to keep our mind and body active throughout the day.

Our School conducts various activities like dance, musical instrument and kitchen garden as a part of curriculum that helps us to develop our skills and encourages us to do become a perfect dancer like Michael Jackson, an amazing singer like Lata Mangeshkar. For these activities, we have a dedicated dance room, music and instrument room and a kitchen garden.

In our school we play various indoor games like Air hockey, Billiards, foosball, chess, carrom and chinese checkers. We also play outdoor games like football, basketball, badminton and swimming.

The students of the school are divided into 4 houses. Whose name, colour and moto are as follows :

House name. Moto

Agni House Lead us Darkness to light

Jal House Excellence is the goal

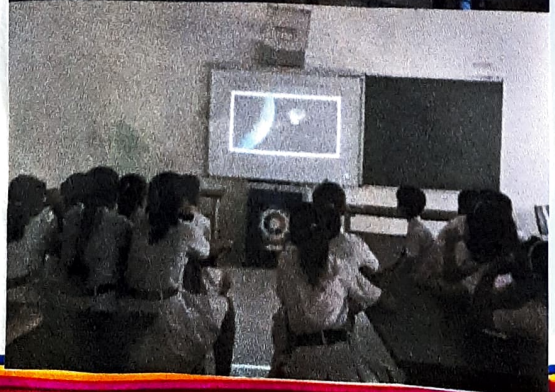

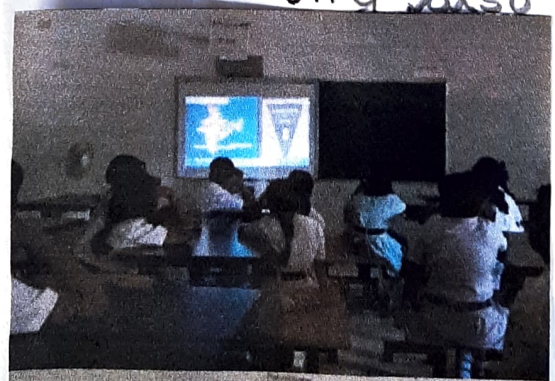

Vaayu House Be compassionate and friendly to all living beings.

Prithwi House Be your own light.

Different competitions are held among 4 houses and students participate actively in them.

We have a student body in our school that includes Head boy, Head girl, House Captain, Sports Captain and Prefect.

They are elected by the students through voting and are designated during investiture ceremony also attended by parents.

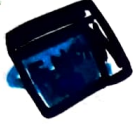

In our school we have various clubs like Science Club, Quiz club, eco club, literary club etc.

Student based on his/her interest can choose any club. On every alternative Saturdays, various club activities are carried out in these clubs.

Our school conducts winter carnival during Christmas time, art exhibition to showcase the talent of students, Annual day celebrations, children's day, teacher's day, grand parents day and many more.

Recently we celebrated plantation week by planting trees in school and at our home.

We also celebrated Raksha Bandhan festival in our school and went for a trip where

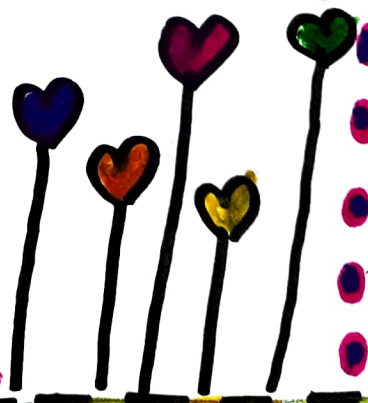

we tied handmade Rakhi's to Border Security Force and people engaged and devoted in essential services. (10)

12

In the end, we would like to say that we love our school. Our teachers are our great mentors and guide us whenever needed.

12. Decorating the class

One thing that we would change over the world :

If we could change one thing about the world, We would try to eliminate poverty.

Poverty is a major problem that affects millions of lives and obstruct the progress in various aspects of society.
