

Afterschool Drama at Clifton Hill Primary

Term 3 2018 Enrolments Now Open!!

Two After School Drama classes are currently being offered; a Prep to Grade 2 class on Mondays and a Grade 3 to 6 class on Tuesdays. There are currently a limited number of places available in each class. For Term 3, there will be a maximum of 15 students in the Monday class and 16 students in the Tuesday class. ****Please note just for Term 3 classes will commence Week 4 (6th and 7th of August) and will run until the 17th & 18th of September (last week of term)****

During Term Two the Tuesday class will focus on improvised performance on film. Students will be challenged to create short narrative films generated from improvised dialogue. Inspired by comedy greats such as Larry David, Armando Iannucci and Julia Louis-Dreyfus students will work to develop characters and situations and then improvise their performances to create engaging scenes. Working in small groups, these scenes will then be used to create dynamic and original narratives. Students will also watch and critique selected scenes from films featuring effective improvised performances.

The Monday class will continue their exploration of emotions and the expression of emotions in Drama. Students will work together to devise a short scripted performance featuring a range of emotions. They will explore different emotional situations and understand how emotions can be used for Dramatic effect. Working together we will create a scripted performance generated from student's understanding of emotions.

All classes have a social focus aiming to build student confidence and ability to understand and collaborate with others. All classes develop movement and voice skills as standard practice through the use of fun Drama games.
