Instrument Annual Hire Agreement Terms and Conditions

Students and parents/guardians need to be aware of the responsibility of care associated with the use of hire instruments. They are often very expensive, and the College maintains to expectation that the same instruments will be viable for future student use. The annual cost for music equipment hire will be added to the school fee account and needs to be paid in full by July 2023. The College asks all students and families to take responsibility for the care of each instrument to avoid any loss or damage. In most cases, if the instruments repair is required through general wear and tear Nazareth College will cover the costs. Careless or deliberate damage (eg dents and bent keys) will incur a fee for repair. If a student loses an instrument the parent/guardian will be required to pay for it to be replaced.

Parent/Guardian Agreement (only sign if hiring an instrument through Nazareth College)
