

Summer construction on the Cranbourne and Pakenham lines

As part of Victoria's Big Build we've removed more than 50 dangerous and congested level crossings.

We're also building the Metro Tunnel, creating space in the city loop to run more trains to and from our suburbs.

As we bring the pieces together, buses will replace trains on the Cranbourne and Pakenham lines between December and February.

Accessibility

If you need help or cannot board a replacement bus, please contact PTV prior to travelling on **1800 800 007** or speak to our staff at the bus stop for alternative transport to be arranged at no cost.

Bikes and pets

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.

Ticketing

Where possible, you should touch on and off at the beginning and end of your journey. When catching train replacement buses, you can touch on and off at your connecting train station.
