## RESOURCES

**Myfuture:** students will be able to explore courses, occupations, take a mini career quiz and an entrepreneurship quiz, and develop job-seeking skills, <https://myfuture.edu.au/>

**The Good Careers Guide:** You can search over 400 different occupations narrowed down by the field or type of work you would like to do in the future (e.g., helping/advising), <http://bit.ly/2a7Qr0Z>

**Good Universities Guide:** You will be able to find courses, compare university ratings, search for scholarships and explore careers, <http://bit.ly/1N6a3Pk>

**Australian Apprenticeship Pathways:** You will be able to undertake apprenticeship aptitude tests, find local apprenticeship and group training centres, and learn about different trade occupations, [www.aapathways.com.au/](http://www.aapathways.com.au/)

**Defence Jobs:** You can explore occupations, courses and technical trades in the Army, Navy and Air Force, [www.defencejobs.gov.au/](http://www.defencejobs.gov.au/)

Careers

**Test:** You can explore occupations based on your

## AMAZING COURSES

The following university courses may suit students who would enjoy learning about the world:

- Bachelor of Global Studies, Australian Catholic University, “for people interested in the social, political, cultural, environmental and economic changes shaping our world”. Students complete a semester of exchange overseas and must combine the course with one of six listed degrees, <http://bit.ly/1WAUKLE>
- Bachelor of Global Studies, Monash University, “you will be able to apply your learning in practical and professional ‘real life’ contexts in one of three specialisations: Global Cultural Literacies, International Relations, and International Studies”. Students will study overseas and can combine the course with either Laws, Science or Commerce, <http://bit.ly/2b6kI0n>
- Bachelor of International Studies, RMIT: “you will gain knowledge of global intercultural, social, linguistic, and political issues and processes. Offering specialist studies in topics such as global interconnectedness, international relations, and languages other than English, this program will let you choose your own adventure”. Students will complete an internship with an international organisation, <http://bit.ly/2aZQwSS>
- Bachelor of Asian Studies, Australia National University: “you will master an Asian language, acquire in-depth contextual knowledge, and graduate with the kind of Asian literacy that gets you noticed by employers”. There are overseas study and scholarship opportunities including the ‘Year in Asia’ program, <http://bit.ly/1eS880A>
- Bachelor of International Relations, La Trobe University: “you’ll develop an understanding of global issues, get skills and experience through overseas exchange, language studies and internships...by examining power, sovereignty, security, and political science. Through real-world examples, you’ll gain knowledge of international trade, foreign affairs, diplomacy and conflict, <http://bit.ly/2b2fguV>
- Bachelor of Arts, University of Melbourne: You can undertake majors in areas such as Politics and International Studies, Spanish and Latin American Studies, Asian Studies and Islamic Studies. You can also study a language as part of the Arts degree, or combine a Diploma of Languages with your Bachelor degree, <http://bit.ly/1R1tkxf>
- Bachelor of International Studies, Deakin University: You will learn a range of skills in analysis and interpretation of the forces shaping government, business and community life in contemporary Australia. You will also develop a systemic understanding of other countries and competencies through cross-cultural oriented curriculum, <http://bit.ly/2aF>

## RESOURCES
