

ASPIRE

Continued...

Aspire Early Admissions Program rewards student's involvement in community, leadership and volunteering with an early conditional offer into their chosen course at La Trobe. This means students know if they have a place at university as early as September. Students also receive exclusive benefits designed to nurture their skills and give them the support they need to succeed at La Trobe and beyond.

Ms Ryan conducted one-on-one personalised meetings on Friday June 21 to assist with the application and submission process.

Any student who is considering La Trobe University, any campus, should be submitting an Aspire application. Please see Ms Bell if required.
