

WHAT'S BEEN HAPPENING

Hello Families!

We have had a few big days over the last couple of weeks at TeamKids. Children celebrated the educators for OSHC Educator Day, they then celebrated each other for International Day of Friendship, we also learnt about some healthy food for Watermelon Day.

We've also been exploring a variety of indoor activities, including construction challenges, board games, imaginative play, and quiet reading spaces, giving children the opportunity to choose activities that match their interests and energy levels. These experiences help foster friendships, problem-solving skills, and independence in a safe and supportive environment.

Important Reminder

Lost Property!

As per usual at the end of the school holidays, we are overwhelmed with the amount of lost property we have. Please, if your child attended the holidays and lost a jumper, drink bottle, hat, etc. come have a look through our tubs and take home your child's belongings! 😊

In term 3, there will be celebrations highlighted throughout the program and special events within the community. The dates are provided in the section below, if you would love your child/ren to attend. Book Now!
