We have been really creative here in Before and After school care.

Last week, we built our own cubby out of cardboard, and decorated it with cellophane, crepe paper and texta.

We also have loved beading

The kids love to make huge cages and buildings out of straw, too.

We had fun celebrating a couple of the kid's birthdays. We made lemon flavoured green cupcakes and a lot of the group took their turns in stirring, adding ingredients and dipping their spoons in to have a taste.

This week, the library staff have been so kind in letting me borrow audio books so we have been listening to Roald Dahl stories. Upon request this week we are going to listen to The Secret Garden by Frances Hodgson Burnett.

We also enjoyed playing Twister, Table tennis, chess and playing hide and seek and tiggy outside.
