

Queensland Health Paid Podiatrist Traineeships - Now Open

Queensland Health has launched a new Podiatrist Traineeship Program, giving students across Queensland the opportunity to get paid while studying to become a qualified Podiatrist.

As a Podiatrist Trainee, you will gain hands-on experience working under the supervision of an experienced Podiatrist and get to assist in surgical procedures, diagnosing and treating a variety of lower limb conditions, and get to use specialised equipment to check blood flow and nerve conduction.

Traineeships are available in locations across Queensland — including Cairns, Mackay, Rockhampton/Capricorn Coast, Mount Isa, Sunshine Coast, Charleville/Roma/St George, Townsville and Brisbane.

If you are a Year 12 student who is passionate about helping others, this could be the perfect opportunity for you.
