

24 October 2022

Dear Resident,

## Robinsons Road – Night works and road closures in November

The new Robinsons Road underpass is open to vehicles, months ahead of schedule, improving safety and creating better local connections.

We're **working during the night at times in November** to finish the new road underpass and minimise impacts to local traffic. **Works will be low impact** and include:

- Installing permanent traffic signals at the intersection of Robinsons Road and Quinn Street.
- Completing the dedicated right turn lane into Quinn Street.
- Finishing the new shared use path along Robinsons Road and closing the existing footpath across the level crossing.
- Asphaltting and line marking along Robinsons Road.

### How this will impact you

During this time, **Robinsons Road and nearby streets will be closed at times** with traffic management in place. Access to local businesses and residential properties will be maintained at all times.

We'll contact directly impacted properties ahead of works with more information about relocation.
