

After School Drama at Clifton Hill Primary

Term 1 2020 Enrolments Now Open!!

During Term 1 Drama classes will continue to be offered at CHPS. Open to all ages with breakout groups based around student experience. The class will run on Monday afternoons, immediately after school finishes.

Term 1 will focus on acting for screen with an emphasis on shot types and camera angles. All students will participate from 3.30pm to 4.30pm engaging in a 'hands on' exploration of how different shot types can influence acting style and influence narrative through performing and reviewing short scenes and undertaking simple performance tasks. While the longer class will continue through to 5.10pm working to write, plan and shoot originally devised scripts.

From 3.30pm to 4.30pm students will work to understand the relationship between performer and camera. Discovering and exploring their capacity to adjust their performance depending on how far the camera is when filming. This is done through a multitude of fun exercises helping to build student confidence and awareness.

Students will work in breakout groups with separate teachers to undertake various exercises tailored to student experience levels. Combining streams students will reflect on their progress through discussions, providing feedback for each other and reviewing footage of their own performances.

From 4.30 to 5.10pm students participating in the longer class will work initially to shoot and edit existing scripts demonstrating their understanding of shot types, camera angles and camera movement to influence narrative. Then they will work to write, plan, shoot and perform their own films.

There are currently a limited number of places available. Parents and students need to indicate whether they would like to enrol their child in the regular class (3.30-4.30pm) or the longer program (3.30-5.10pm - not available to Prep students, Grade 1 students please contact Jackson to discuss). It is suggested that students aged from grades Prep to 2 attend the shorter class from 3.30 to 4.30pm and students in grades 3 to 6 attend the longer class from 3.30 to 5.10pm. Parents interested in enrolling their child for a different class than recommended should contact Jackson to discuss which class would be best suited to their child.

Jackson Castiglione and Danielle Reynolds will be the teachers for the term and will work to set up a collaborative learning environment, with individual teachers taking breakout groups to help tailor exercises specifically for students. The groups will convene to perform the exercises they have been focusing on.

***Jackson Castiglione** is a qualified primary teacher and currently teaches Drama at Newport Lakes Primary School. He also works as a Performer and Director collaborating with children to devise professional performances, podcasts and short films. Recently Show & Tell a short film he Co-Directed shared first place at KUKI Children's Film Festival, Berlin. Jackson has also been nominated for a Melbourne Green Room Award for Rainbow Leprechaun, an award to recognise industry professionals and in collaboration with some students from the class Jackson created the podcast series Kids Vs Art (nominated for the 2018 Australian Podcast Awards).*

***Danielle Reynolds** is a multi-disciplinary artist who creates work between performance and visual art. Danielle is presently working as the Lead Artist Facilitator at the Abbotsford convent for Sensory Art Lab as part of their kids program. Danielle treasures working with children in a performance/arts context and believes the opportunity to work with and shape imagination into production is an incredibly rewarding and enriching exchange.*
