

Cranbourne East Secondary College

SPONSORSHIP OPPORTUNITIES

Cranbourne East Secondary College prides itself in having a long history of wonderful musical productions which engages the whole school community. This extra-curricular event has the ability to bring CESC's community together through the love of the Arts however as you can imagine, a production of this magnitude requires not only dedication from the talented performers, musicians and crew, but also an enormous amount of parent volunteer assistance as well as significant financial support.

In the past we have spent numerous hours fundraising for our productions however 2019 will be the first time we take sponsorships. Financial support from individuals, families, groups and businesses will play a critical role in this unique performing experience for the students of Cranbourne East Secondary College. Student participation in this production fosters: dedication, creativity, self-expression, and most importantly, teamwork. In exchange for your support, we have many advertising opportunities for you to choose from.

Thoughts to consider when sponsoring:

- Get your business noticed and support the CESC Production with an ad in our 2019 We Will Rock You program booklet. More than 500 copies will be printed and distributed at the performances and programs are read and kept by hundreds who attend. Your ad in our program shows your support for performing arts education in our local area to more than 1,000 attendees and more than 60 students and their families that are involved in this year's production
- If you would like to discuss the option of sponsoring our production t-shirts, production design (sets/props/costumes) or simply donate, please contact Mrs Witteveen to discuss further.

Your contribution and support is critical to the success of the production. Please read through the attached information on sponsorship categories.

If you have any questions or would like to contact us, please contact Hannah Witteveen on witteveen.hannah.e@edumail.vic.gov.au
