Sunday 3 September 2017

Hello!

We value your support of the YMCA, and we love working with you to help families become healthier and happier.

You may have heard that we will be hosting our second ever **YMCA Father's Day Fun Run** on Sunday 3 September around **Melbourne's iconic Tan track**. We're inviting families across Melbourne and in your local community to join in the fun – spending time together and starting a new Father's Day family tradition. You can find out a bit more about our event by visiting the website – fathersdayfunrun.org.au

We'd love to invite you and your school community to be part of the celebration!

To get the word out, would you be able to support our event in the following ways?

- Publish the YMCA Father's Day Fun Run in your school newsletter and/or on any social media pages you may have (newsletter sample text)
- Encourage families, students and teachers to sign-up

If you have any questions, please don't hesitate to get in touch.

Kind regards,

YMCA Father's Day Fun Run Team
