

Beaumaris Primary School – Captain Speech

1. Good morning, everyone and welcome to the 2024 investiture assembly. My name is Tex Walker, and I am proud to be your 2018, Beauy Primary School Captain.
2. I am so excited to be speaking here today and sharing my experience at Beauy Primary, as well as some of the things I've learned along the way throughout my schooling.
3. Firstly, I just wanted to start off by saying that although many people think that leadership comes in the form of a fancy badge or a title, this is not always the case.
4. The definition of a leader is someone who guides or inspires others... this means that even if you weren't awarded a leadership position today... you can still be a leader! Whether that's in the form of helping someone with their work in the classroom, motivating your teammates on the sports field, or simply standing up for what's right... anyone can be a leader.
5. Another thing I have learnt is that school helps you to find what you're passionate about! Now is the perfect time to try something new because you never know unless you give it a go.
6. Beauy Primary taught me to be kind, resilient, and to believe in myself, all of these qualities which I have continued to live by throughout my schooling.
7. So, enjoy your year and make the most of every opportunity that comes your way... and to the 2024 leaders, congratulations and best of luck in guiding the school to success.
