Statements from Candidate – SARINA ATTANA

I'm a local member of the community, born and raised in the Goulburn Valley.

As a Human Resources Business Partner in the Manufacturing Industry for the past 20 years, I have been involved in shaping organisational change and culture. Navigating employment legislation, implementing new policies and project initiatives all form part of my everyday activities.

I have achieved a Post Graduate Certificate in Human Resource Management and I've been involved in various Training and Development projects that link formal education to Industry career pathways.

As a new parent of GSSC I intend to provide a valuable contribution to the council through my engagement and applying skills acquired within my professional capacity. I'm an active member of a primary school council subcommittee and have represented as School delegate for various sporting clubs.

I take part in volunteer work most Saturday mornings and in my spare time enjoy keeping active with outdoor activities such as hiking, cycling and tennis.
