On 23rd of August George will be visiting our school to talk to students about reading and writing. This is a fantastic opportunity to learn even more about the practices of professional authors and how they write the interesting and engaging stories we love. Students have the opportunity to pre-purchase books and have them signed on the day!

To order go to: www.lamontauthors.com.au and select "Buy our Author's Books". All orders must be completed by Friday 9th of August to receive the books in time for George's visit.

Further orders will be taken from 23rd August– 30th August following George's visit. These will be delivered following the event and will not be available to be signed by George.
