**RE: PRINCIPAL APPOINTMENT – ANTHONY JACKSON**

Dear Community Members,

Following the resignation of Joan O'Connor-Cox in Term 1 2022, Jackson School Council and DET formed a selection panel to recruit a new Principal for Jackson School. This was a rigorous, external process following DET Merit and Equity policy guidelines.

The selection panel has now concluded the process and on behalf of School Council it gives me great pleasure to announce that Anthony Jackson was the successful candidate for the Principal position.

Anthony has worked at Jackson since 2014 and worked closely with Joan as a Deputy/Assistant Principal during a rapid period of improvement for the school. In 2019 and 2021-2022 Anthony has been acting in the role of Principal in leading our school.

We wish Anthony all the very best in the role as we continue our school improvement journey.

Kind regards,
