

## MILGATE PRIMARY SCHOOL CONTINUOUS STORY 2024

**Opening sentence: Violet H 6JH**

Once upon a time, the Forest of Life was lively and full of greenery. But as I say, that was once upon a time. The river, once running clear, now only pushes the dusty, dirty remains of the Forest of Life's water. The trees are tired, their branches hanging low and leaves limp, some even brown. This once uncannily beautiful landscape is now a place where you are unlikely to see any sign of life. Who would save this land and its inhabitants?

**6GD**

It was a dark and gloomy morning as Angus the goat was relaxing by the barren river. The river's water became filthy and unfiltered, making it difficult to make nutritious dirt for growing delicious fruits and veggies. His owners left him at the farm because he was silly and had major anger issues, his issues were not helped by the banana stuck to the top of his mouth.

**1AN**

Angus looked angry, his eyes were angry. He was very accident prone as well. Always tripping over rocks! One day he was eating chips and he discovered he could blast off with steam when he was really angry.

**3NK**

As Angus steamed with anger, he thought about how much fun he had with his owners playing in the forest. He stormed towards the glooming deep green oak trees, hoping to calm himself down. Angus took a deep breath.

Suddenly, the ground began to shake. He heard a giant roar echoing from deep inside the thick trees. All the birds had fled. Hearing the noise, Angus' heart was thumping loudly and...

**2CM**

Bursting out from the trees came the strangest thing... a tiny, talking TACO! Angus the goat stared at the Taco with shock. The Taco stared back.

"G'day mate, do you want to chase some kangaroos with me?" the Taco asked.

**4KK**

"How are we supposed to find kangaroos here?" asked Angus the goat.

"There's barely any life in this world."

Taco said, "I'm from the planet Taco Bell. I can take you there where there are a lot of kangaroos".

**FKK**

"Yes, that's a great idea!" said Angus. Angus the goat was so excited about the idea of going to a new planet that he cried tears of joy. Suddenly, where Angus' tears hit the ground, there appeared a GIANT SUNFLOWER!

<b>5AL</b>	In the middle of the GIANT SUNFLOWER appeared the face of Shrek. "Did you say Taco Bell?" said Shrek. Very soon, the ground started shaking like an earthquake, and a flying Donkey appeared.
<b>2TE</b>	The flying Donkey landed on Shrek: the GIANT SUNFLOWER and began eating the sunflower because Donkey thought it was food. "HEY!! DONKEY WHAT ARE YOU DOING? STOP EATING ME!" Donkey was surprised to realise that Shrek was the GIANT SUNFLOWER.
<b>6ED</b>	Just as Donkey realised he was devouring his best friend, a loud, creaking sound pierced his eardrums. CCCCREEEEEAAKK! He looked down. "What on earth is that?!", he yelled as he noticed his rear hooves pressing down on a mysterious trap door with some green shrubs poking through.
<b>FLP</b>	Suddenly the trap door opened and Donkey fell in. What he saw next was amazing..... the room was filled with bright coloured lights, he had landed in a DISCO! To Donkey's surprise, he saw a disco dancing dragon made from Tacos. He waved to Donkey to follow him to a secret tunnel.....
<b>3NY</b>	As he slowly walked in, he started seeing a blurry shadow appearing. He thought it was still the dragon made from Tacos, however, he realised it was a REAL dragon. The taco dragon turned into a terrifying and violent fire-breathing dragon. At this moment, Angus the goat fell into the trap door with a loud thump!
<b>4MH</b>	Meanwhile...Shrek the GIANT SUNFLOWER poked his sunflower face down the trap door and, in a bellowing voice, shouted "HEY! GET OUT OF MY SWAMP!!!" The fire-breathing dragon was stunned. It realised that the visitors were old friends, Shrek and Donkey, and offered them all a ride to Planet Taco Bell.
<b>6JH</b>	During their journey, the dragon's belly started rumbling and aching. "Let's stop off at Red Rooster for some brekky!" exclaimed the hungry dragon. Shrek and Donkey agreed as they were also keen for a feed, so they parked the taco-dragon outside next to a green Toyota and strolled into the store. Whilst snacking on some chicken...
<b>1JA</b>	But just as they were about to take a bite of that juicy chicken, the pair fell into a crack in the ground and fell into a racing car. It looked like they had to work together so they could win the race. And if they did, there would be clean water for the Forest of Life.
<b>5KB</b>	Shrek exclaimed, "I don't really care, I just want my swamp back!". All of a sudden, out of the corner of his eye he saw...Angus zooming around the

<b>3JL</b>	Master Oogway slowly lumbered towards the group, just like any old turtle. He said, "You will need to go fast, but be calm and don't get angry like Angus with his anger issues." Master Oogway sneakily handed something to Shrek. The group looked down at the black box that they had been given. "Do not open it until you finish the race." Tilting their heads, they wondered what could be inside the box...
<b>6CH</b>	Shrek the GIANT SUNFLOWER and Donkey rolled up to the starting line, next to Angus in his mighty, green Toyota Supra. BANG! The starting gun fired and the cars flew off the starting line. Angus in the lead, pulled on the brake and glided into a Tokyo drift around the first corner. The second corner approached and Angus went to skid again but misjudged and crashed into the referee, Master Oogway. Shrek the GIANT SUNFLOWER and Donkey zoom past towards the finish line and won! The champions, singing "You are my sunshine", excitedly pried open the black box to find...
<b>4YC</b>	an orb to save the forest life from Duolingo. When they found the orb, they didn't know what to do with it. Master Oogway said, "I know what the orb it is, it is the orb of the giant. I found it when the giant was sleeping." But then, Angus became furious...
<b>2JG</b>	There was also a special care package that had a regenerator for life and a potion. A note said: "Use this to clear the river...". Suddenly, water started flowing from the box creating a river and then a big boat appeared right in front of them!
<b>FNS</b>	On the big boat, they saw a giant steering the boat and heading straight towards them with no sign of slowing down. The giant didn't see the big rock ahead of him and crashed straight into it ...
<b>5SB</b>	Because the boat was going so fast, the giant lurched forward and made Master Oogway the next Flat Stanley. SUDDENLY, the flowing river turned into a whirlpool! The characters fell through the whirlpool, right into... PLANET TACO BELL. As they crash-landed into the ground, they saw the 5SB Chicken Nugget Squad. The squad quickly explained that they wanted to help Anger Issue Angus, Shrek the GIANT SUNFLOWER, Donkey, Flat Stanley Master Oogway and the Dragon to restore the Forest of Life...

<b>4AP</b>	However... the 5SB Chicken Nuggets Squad had another plan coming for them. The Donkey shrieked "Oh! Nuggets! I loveeeeeeeee salty, delicious NUGGIES". In a blink of an eye, Donkey gobbled up all the Squad nuggets. Unfortunately, from the hasty eating, the Donkey fainted and the Angry Angus started to stomp on him.
<b>3ES</b>	As Angry Angus started to stomp on poor, little old Donkey - an enormous, swirly, grey cloud started to hover above them. The grey cloud started to become bigger and bigger which formed a violent tornado. When suddenly, Duolingo AND Kung Fu Panda fell out of the tornado, about to land face first on Angry Angus AND poor, little old donkey. You won't believe what happened next...
<b>1KB</b>	They all fell, and rolled down the hill over and over and over again until they landed in the swamp with flies buzzing around their heads. What they thought were rocks in the swamp, turned out to be an ugly, green troll!! His face was covered in bumps and lumps, and he looked at them with a scary mighty sneer... and he bellowed "GET OUT OF MY SWAMP OR I'LL GOBBLE YOU UP!!!!"
<b>2EC</b>	They all begged "Hey Mr Troll, please don't eat us! The forest of life needs fresh water. If you eat us, the world won't have the clean water it needs. If you let us live, we won't bother you again." "I don't care", bellowed the Troll. "I am going to eat you up!"
<b>1MC</b>	Suddenly Steve from Minecraft appeared with an enchanted netherite sword which he used to hit the Troll in the head. The Troll was knocked out immediately by the power of Steve. It began to get dark quite quickly. Donkey didn't do well in the dark and began to get quite scared of what could come out of the forest in the night. Steve used his trusty pickaxe and mined some trees to build a house for them all. The next morning...
<b>4KT</b>	The Troll followed the footsteps of Donkey and Steve and all of a sudden Donkey said "I don't feel so good." The Chicken Nugget Squad launched out of Donkey's mouth, in pieces and said "All hail DEM NUGGIES!" The Chicken Nuggets came alive and transformed into Dancing Disco Divas that challenged everyone there to a dance competition. The Divas had extra backup by 1,000,000 Chicken Nuggies and a Taco Bell Meal Deal offering 6 million tacos for 6 million dollars.
<b>6CW</b>	Joe Biden then hits the griddy out of the bathroom while holding a chocolate bathroom cone. The Divas, Nuggies and Tacos are blown away by this
