

Welcome back to Term 4!

As the weather warms up and days get longer, welcome back as we head into the last term of the year! We take pride in providing you with a reliable and safe service, and we're excited to have you on-board.

We have a few updates for you from the Kinetic Schools Team:

Congratulations to the Melbourne Rebels Shield Winners

After four weeks of gruelling competition, the U16 Girls team from Fountain Gate Secondary College and U16 Boys team from The Grange College took home the win in the Melbourne Rebels Shield rugby competition.

We're proud to have been there on the journey with these up-and-coming rugby superstars, providing transport each week to and from the games.

We offer reliable and safe charter services for excursions, sporting competitions, swimming carnivals, camps and more.

Our friendly, experienced team are ready to assist. Submit an enquiry to our charters team [here](#).

Tap on and be counted

We often have full buses on our school services everyday, and it's important that we record our touch on rates across our school routes.

Please remind your students that they must travel with a valid myki at all times.

They can be ready to travel by topping up before getting on the bus and touching **ON** and **OFF** to ensure they are counted on our service. Accurate touch on data help the Department of Transport and Planning plan school services based on demand.

Check out our new website

If you have new students catching the school bus for the first time, our new and improved website has all the information you need to travel on our school services. All the essential information is available for you and your school's families, including up-to-date timetables and detailed route maps tailored to your school's routes.

To find out more, check out the website at wearekinetic.com.

Lost property

Our customer experience team receive all sorts of lost items, from Airpods right through to instruments and assignments which are collected from our school services. If your students happen to leave something behind on our bus, rest assured that we'll do our best to reunite it with the rightful owner.

If your students leave something behind, they can call us on **(03) 9492 2200** or contact the PTV Call Centre on **1800 800 007**.

Need to get in touch?

If you have any day-to-day operational queries about our school services, you can call us on **(03) 9492 2200**.

For all other enquiries, you can give Savo from our Schools Team a call on **0419 096 082** or email: melbourne.schools@wearekinetic.com.au.

We look forward to welcoming you back on-board.
