

MOONEE VALE INSTRUMENTAL MUSIC PROGRAM

Last week the MVIMP tutors and band members demonstrated instruments that students can learn through MVIMP (our school music program) at MPW.

Students in Year 2 and above can elect to join the program and receive individual or small group instruction (up to 5 students) with a highly qualified tutor during school hours. The program has instruments that can be hired for the year.

If you are interested in your child participating in the program in 2023, please complete the form below:

A video introducing the program and the tutors was created during the lockdown period in the past few years. We invite you to have a look with your child and to discuss possible opportunities together.
