

Bringing Up Great Kids

A **Free** Early Years Parenting Program for Mums, Dads and Carers, focusing on 0 to 5 year olds. This program promotes positive, respectful parent and child relationships.

After completing this program parents will be better equipped to:

- *Understand your parenting style.*
- *Understand the messages you give and receive.*
- *Identify and respond to your children's needs.*
- *Build positive and respectful relationships.*
- *Understand your child's stage of neurological development.*
- *Understanding development of age appropriate behaviour.*
