

# STEM One Day Workshop

**For Years 9, 10, 11 & 12**

Inviting students interested in Engineering, Physics, or Mathematics to come and explore engineering and applied science concepts through a series of hands-on and engaging workshops during the school holidays.

The activities are STEM (Science, Technology, Engineering & Mathematics) focused and have been designed and developed by ECU's School of Engineering for their CREATE program.

Through these workshops, students will have the opportunity to engage with multidisciplinary studies relating to a range of different engineering fields, the courses they are aligned to, and the diverse career opportunities they will have the potential to experience as engineers.

Do not miss out on the opportunity to attend these workshops.

**Register your participation by QR code**  
scan or at <https://www.trybooking.com/CIRRB>

Registrations close 23 June 2023

## Activities

- Civil Engineering (Bridge Design & Building)
- Mechatronics (Automation)

## Dates

4, 5, 12 & 13 July 2023

## Time

9:15am — 3:00pm

## Location

ECU Joondalup Campus, Building 23
