Cursillo in our Wollongong Diocese

Wollongong Diocese is blessed to be led by Bishop Brian who has himself, made his Cursillo journey at a Three-Day Cursillo Weekend, very similar to the one we are planning here, and he is keen to encourage our movement as we grow. Fr Chris Roberts from Kiama is our spiritual director and will be with us for the whole weekend.

We have well over a hundred people throughout the Diocese who have joined in a Cursillo Weekend, and thus are Cursillistas, though some of them do not join with us on a regular basis, when we meet them, they all have very fond memories of their 'Weekend' and have continued their own journeys in many different ways.

If you join with us on the weekend, you will learn a bit more about Cursillo, but you can rest assured that there will be a group of people who are a bit like you and ready to continue this journey with you.

Frequently asked Questions:

What is Cursillo?

Cursillo is a life changing experience meant to be lived, a method of supporting and encouraging our lives as Christians through friendship and a way of living life to the full.

What is the goal of the Cursillo Movement?

The goal of the Cursillo Movement is that there will be more Christians who will live the Good News by becoming the Good News.

What does Cursillo offer?

Cursillo offers an opportunity to grow, a chance to experience the love and Grace of God and a way of continuing our life's journey together as Christians.

Who is it for?

Catholics who are curious, searching, discovering, growing and/or open. Attendance at church is not a pre-requisite.

What is expected of me?

There is no specific response expected of you. Just be open to what happens. Simply take a fresh look at what the Church has always taught – the Good News that God loves you.

Is that really all?

Yes! There are no tricks, no gimmicks, no hidden mysteries only revealed to the initiated. If there are any surprises it is only because the Christian life is full of surprises. You aren't expected to know more or do more, just reflect on "being" more!

And then?

The 3 Day weekend is not an end unto itself. It is only the beginning, and leads us into The Fourth Day! The Fourth Day is where we continue our journey together, back in the real world and this is the most important part of Cursillo. We experience the support and encouragement of a group of friends as we find a way to live the Gospel in our lives

Sounds too good to be true?

Come and see for yourself.
