317 DOLMETSCHER UND ÜBERSETZER

Die Übersetzung und Interpretation der Prozeduren in anderen Sprachen war eine große Herausforderung für die Aufzeichnung des Nürnberger Prozesses. Die Aufgaben und Aufgaben der Dolmetscher waren vielfältig und erforderten eine hohe Genauigkeit und Flexibilität. Die Dolmetscher mussten nicht nur die Aussagen der Angeklagten, sondern auch die Aussagen der Zeugen, der Richter und der Staatsanwälte in die deutsche Sprache übersetzen. Dies war eine enorme Aufgabe, da die Verhandlungen in mehreren Sprachen stattfanden und die Dolmetscher oft unter Zeitdruck arbeiteten.

Die Dolmetscher waren in der Regel in Teams von zwei bis drei Personen organisiert. Jeder Dolmetscher war für eine bestimmte Sprache zuständig und arbeitete mit einem Kollegen zusammen, um die Aussagen in die deutsche Sprache zu übersetzen.
