

Wyndham Central Careers Update – Term 3

Term 3 has been an incredibly busy time for our Careers program, with a range of activities designed to help students explore future pathways, make informed choices, and prepare for life beyond school.

Step into Your Future Week

We began the term with our highly successful **Step into Your Future Week**, where students from Years 9–12 participated in engaging and informative activities, including:

- **Monday – Future You Expo:**
Students connected with representatives from universities, TAFEs, apprenticeship providers, and industry bodies to learn about career and study options.
- **Tuesday – Subject & Program Expo:**
Faculties showcased VCE, VM, and VET subject offerings, helping students understand different pathways and how to align them with their interests and strengths.
- **Wednesday – Year 10 Try-Out Day:**
Year 10 students stepped into the shoes of Year 11 students by attending classes in the subjects they are considering for 2025.
- **Thursday – Subject Counselling Sessions:**
All Year 10 students met with their Tutor Teachers to discuss subject selections and goals for 2026/27.

Year 12: VTAC and SEAS Preparation

The following week, **Year 12 students** attended a **SEAS presentation** as they began the VTAC application process.

What is VTAC?

The **Victorian Tertiary Admissions Centre (VTAC)** is the central hub for tertiary course applications in Victoria. VTAC:

- Receives, processes, and forwards applications to institutions.
- Does not decide who is accepted into a course—that decision is made by the institutions.
- Processes **Special Entry Access Scheme (SEAS)** claims and some scholarship applications.

Action for Year 12 Students

All Year 12 students are reminded to:

- **Create a VTAC account** as soon as possible.

- **Pay the VTAC application fee** to access and complete your SEAS application.
- **See Careers staff** if you are unsure about any part of the process.

Important: Course preferences can be changed any time up until December, so please act early to allow plenty of time to review your options.

Key VTAC Dates

- **29 September (5pm):** Timely course applications close
- **29 September:** Late course applications open
- **10 October (5pm):** SEAS and scholarship applications close
- **31 October (5pm):** Late course applications close
- **31 October:** Very late course applications open

Stay Informed

Students are encouraged to check **TEAMs pages** regularly for updates on courses, programs, and important career information.
