

Corona virus

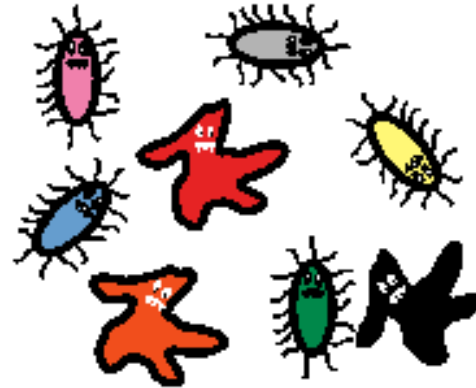

At the moment, there is a sickness called Coronavirus or Covid-19.

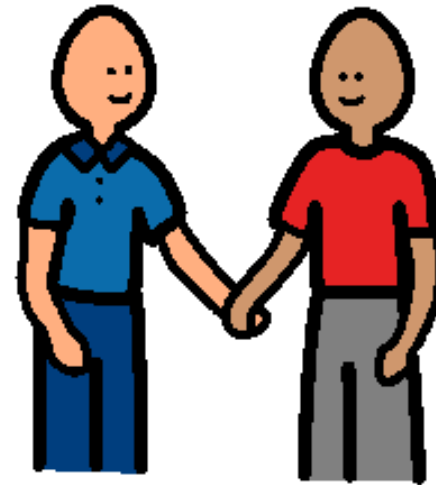

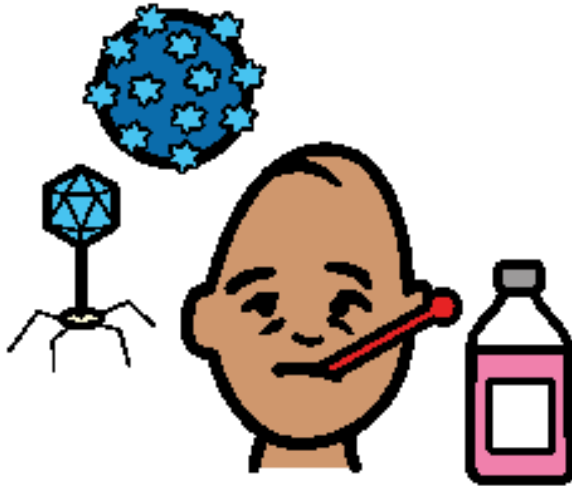

People can get Covid-19 from being close to others and catching their germs.

Germs are tiny things you cannot see.

A friend has corona virus.

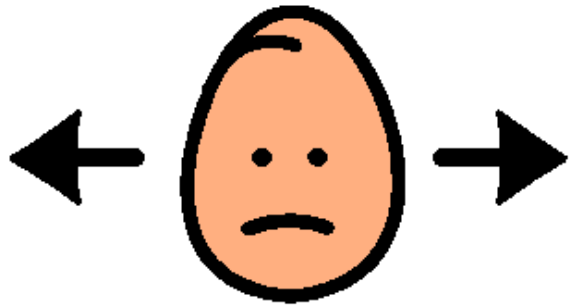

I need to stay home for a while.

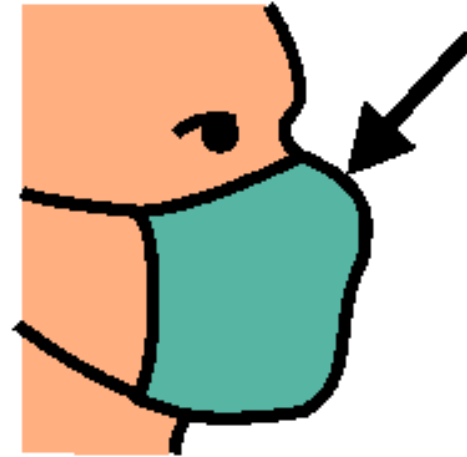

I will need to play and learn at home.

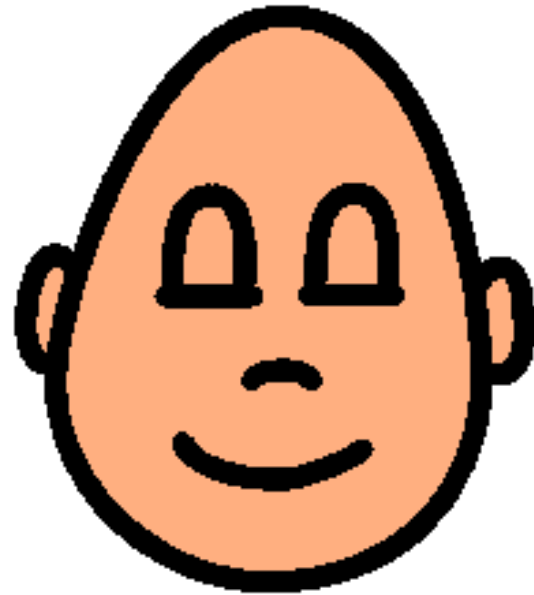

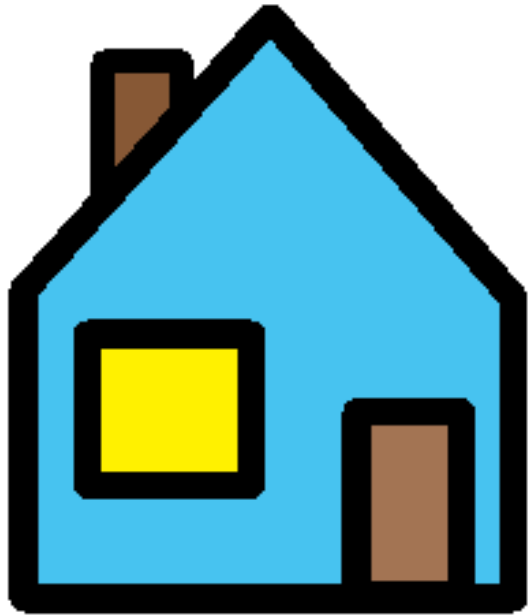

I can't leave home.

I will wash my hands regularly.

I will stay safe at home.

It will be okay!
