

## Second-hand Books & Uniform Sale 2019

**When:** Saturday 30 November 2019

**Where:** Wellbeing Centre, Castlemaine Secondary College

### **How does it work?**

It is a trading place run by CSC families between CSC families. We got this idea from other schools who have used it successfully to exchange books and uniforms. It means that CSC does not handle any money or get stuck storing any out-of-date leftovers. Please make sure students have cleared their lockers before the day, as we don't have access to all the school on the day of the sale.

### **If you have something to sell:**

- Arrive 9.15am to set up your items on a sale table
- Double check your books are current for 2020
- Price your items clearly
- Families who have current year 7's please get involved as we had a lot of interest from new families to the school looking to buy

### **If you want to buy something:**

- Arrive from 9.30am when trading will start
- Bring cash
- Find what you want and pay the person selling the item the **agreed price** (please respect the sellers pricing)
- Go home feeling satisfied about how much you just saved!

### **What sort of prices will items be?**

Current Book lists for all year levels plus a uniform shop list with prices will be available

Pricing is up to you but we can offer the following recommendations:

- As new/ never worn 75% of original price
- Very good condition 50-60% of original price
- Used/ Good condition 30-40% of original price

### **What if I can't go?**

Why not team up with another family? Otherwise follow the Facebook Page for more trading (Castlemaine and District School Uniform and Books)

### **Can I donate items?**

Yes please! As long as they are current books and clean uniforms, you can place them in the basket on the day for use at the school and sharing with our most disadvantaged students.

### **Can I help?**

Sure can. Please get in touch with Belinda if you have time or ideas on 0400 180 516 or email [beehoneybee73@gmail.com](mailto:beehoneybee73@gmail.com)
