FAMILY CARER GROUP MONTHLY ACTIVITIES 2022

WHAT IS THE FAMILY CARER GROUP?

The Family Carer Group has been established by Council to support families who provide care to children (0-24yrs) living with a disability and/or chronic illnesses.

The group provides families with reassurance and comfort in knowing they are not alone. Children can enjoy social activities in a safe environment while parents socialise and form a support network, exchanging knowledge on caring for their children.
