

Clayfield College

Dear Parents/Caregivers P-12,

As an annual requirement for all returning students, we require parents and students to read the Student-Technology Agreement attached and acknowledge acceptance of this agreement in Parent Lounge.

For new families commencing this year, this requirement has been completed through your enrolment process and therefore no action is required by you.

Access in: Parent Lounge / Home Icon Menu / Events & Payments: 2024 Student Technology Agreement

Please remember to press 'SAVE' at the bottom right corner.

You do not need to sign and return the attached agreement, your acceptance in Parent Lounge is sufficient.

Pastoral Care Teachers and Core Teachers will again review this agreement with students in class, which is outlined in the student diary.

We kindly request this requirement be completed by Monday 29 January 2024.

Kind regards,

Mrs Audrey Fellowes
Deputy Principal-Head of Primary
