

Camping at Lakes Entrance

Wow what a magnificent camp site this is! A beautiful sunshine is there. I was sleepy too, so I slept early. The birds were chirping and I woke up in amazement. I woke up at 6:30 am, so early! I was surprised.

In the afternoon, Me and my friends went to mini golf and we all had a lot of fun. I came in second out of all my friends. In the evening we went to the park and played cricket, then ate dinner and slept.

I absolutely had a lot of fun.

It was our last day, I woke up, ate breakfast and then went to the seabeach.

And In the afternoon it was the AFL grand final and collingwood somehow clinched the win against Brisbane Lions.

Our last adventure was the forest, it was a bit scary and we got away with it.

After a bit more cricket, finally we had to leave after so many spooky fun things. For now bye lakes entrance.
