

Hello!

Hi, everyone!

It has been such a lovely start to 2024! It's been so wonderful seeing some of you and I can't wait to see more at Parent/teacher interviews.

Please always feel welcome in 3/4N, however, as mornings can be quite a busy time, please catch me after school, message on Xuno, or you're more than welcome to set up a time to catch up face-to-face. Here's to another beautiful year!
