

In what has already been a busy start to the term, last Friday night we celebrated the current Year 12s at their Graduation Mass at St Patricks Cathedral, which was beautiful, followed by a celebratory dinner at the Sofitel Hotel in Melbourne. We rejoiced with them as they were acknowledged for their 13 years of schooling. Their last day is next Tuesday as they leave us to do final preparations for their exams.

In the cycle of life in schools, just as we celebrate the Year 12s as they prepare to finish off and leave us, this week we are welcoming next year's Year 7 cohort to the school for their Parent Information Evening. These students will be the Class of 2030, if you can believe that!!! We are looking forward to the next step in their progress towards joining our community.

Also, this week we will induct next year's College leaders into their roles at assemblies at each campus. We congratulate all students who have attained leadership positions for 2025.
