# Program Information

The July holidays are fast approaching, beginning on Monday 4<sup>th</sup> July and continuing for 3 weeks until Friday 22<sup>nd</sup> July. SPLASH will provide a full program of fun and engaging events including excursions, incursion and in-house activities.

As an Australian Government funded child care service, we are required to allocate places to those families with the greatest need for child care support. Priority of Access is as stipulated in the Australian Government Child Care Service Handbook section 6.3. SPLASH is required to follow Priority of Access guidelines when allocating places for child care. This involves, when necessary, giving 14 days' notice requesting a child of lesser priority to vacate their place in child care for a child in a higher priority situation. Further information regarding Priority of Access can be found at <https://www.education.gov.au/priority-filling-child-care-places>.

Please book early to secure your place in the program.

All buses come equipped with seatbelts. Supervision on the buses adheres to our minimum requirements of 1-15 with at least two adults on each mini bus and 4 adults on the larger 57-seater bus. By the start of the week of an excursion a Risk Assessment is completed and is available at the Splash sign in desk. Policies and procedures for transporting children are also available upon request.
