

Interact  | Youth ACT
Chelsea

Youth ACT takes an active role in the community by supporting those in need. Through fundraising and key actions, a committee of young people work together to recognise the importance of *Service Above Self*.

Through participation you will develop leadership skills, make friends and have fun.

If you aged between 12-14 years and live, study and play in the City of Kingston and want to join or find out more about Youth ACT email the team on youth.services@kingston.vic.gov.au
