Rugby Union Trials: Around the Grounds

6A

MCA 24 – SLC 20

6As came up against a very strong Laurie's outfit who were superb at the breakdown and creating turnovers. The As managed to hold them out with a thrilling 24 – 20 win which can be attributed to their efforts in supporting one another in attack, and being hungry in defence. With the short season ahead, a key focus that we will be working on is our effectiveness in the breakdown to both create turnovers as well as maintain possession. Player of the Match goes to Jed Cole for his aggression in defence and toughness in attack. He spent much of the game being rushed-up on when attacking which limited his chances to spread the ball to the outside backs, however hung tough to set up a few late line breaks. Great overall team effort with continual improvements through the match.

Player of the match – Jed Cole

MCA 26 – ATC 10

The MCA boys began their final trial struggling to find any rhythm and continuity in their play, this led to negativity and their team work suffered. In what was a tight see-sawing first half, the boys went to half time with a slim 12 – 10 lead. The coach had a few stern words at half time regarding the need to play as a team, and the boys began their second half looking like a new outfit. Even though the second half continued with too much "1-out" play, the boys got the job done; keeping ATC scoreless. A lot still to work on in such a short season, but the progress was positive and we look forward to next week.

Player of the match – Matt Pegg and Will Easter

6B

MCA 27 – SLC 14

After some game day reshuffling, the boys were able to put on a great performance with limited training. A good platform laid by the forwards followed by great communication and team work among the backs put us on the front foot throughout the game.

Player of the match – Ari Higginbotham

MCA 39 – ATC 0

The boys put up a good fight in a grind in the early parts of the game to wrestle our way onto the front foot. Our forwards led by Ben Sinclair outplayed ATC to provide the backs with a good platform to work off. Special mention to our bench players for providing much needed impact to keep the momentum throughout the whole match.

Player of the match – Ari Higginbotham

5A

MCA 48 – SLC 0

It was a tough trial for the 5As playing against a strong and quick SLC team. The boys dug in deep and we're unlucky to end the match scoreless. They will take many lessons from the match and no doubt bounce back with an improved performance next weekend.

Player of the match – Harry Bardon

MCA 21 – ATC 26

An ATC try in the final play of the match was the difference in an entertaining and see-sawing game that saw MCA fall short by 5 points. Our boys held their heads high in a close defeat, learnt some valuable lessons and showed improvements across all areas of the game. Now that the trials are over, a more settled team will approach the opening round with confidence and excitement.

Player of the match – Kingston Anderson

5B

MCA 65 – ATC 0

The team put in a gutsy effort to pile some points on a solid ATC side with the ball being passed around to a number of different try scorers. The team's selfless nature saw them finding gaps in the middle of the field and space out wide, and our halves were able to get the ball where it needed to go.

Player of the match – Riley Keogh

5D

MCA 50 – SLC 0

A good game from both teams with MCA coming away with a dominant win. One of the best quality colours games in recent memory and the boys should be congratulated on their good efforts all round.

Player of the match – Alex Homer

Football Trials: Around the Grounds

6A

MCA 3 – SLC 2

The boys displayed plenty fighting spirit after being 2 nil down with 15 minutes remaining. Oliver Hayes was in everything and capped the game off with a classy goal to seal victory.

Player of the Match: Oliver Hayes

MCA 3 – ATC 1

Another solid performance on the weekend which could have seen a number of more goals if not for the ATC keeper. Frank Heenan made some nice saves in the first half and scored in the second.

6B

MCA 7 – SLC 1

Similar to the way a pack of wolves hunt their prey, the 6B Football Team were vicious and precise in the tearing apart of their opponents from South Brisbane. The strong defence of Murdoch and McGauley halted any forward attacks from St Laurence's allowing our attacking weapons: McCormick, Musgrave, Wilcox and O'Ryan to pounce on any loose ball and put 7 goals in the back of the net. The only thing more impressive than the team's clinical goal scoring capabilities was the way in which they represented the College and handled themselves throughout the match, the boys should be very proud of their efforts and the gamesmanship they showed towards their opposition.

Player of the Match: Matthew Murdoch

MCA 8 – ATC 0

The Year 6B Football team had one mission in mind before they faced Ambrose Treacy College on Saturday – score goals. Upon reflection on the 8-0 victory score line it is safe to say the said mission was achieved. The game started quickly with Ashgrove on the attack for the majority of the first half, the midfield combination of Matthew Murdoch and Jack McCormick ensured that the side maintained front-foot football with pinpoint passing and strong defending preventing any forward progression by their opposition. Ben Allpass and Oliver McGauley contributed wonderfully to the win clearing any ball that came within a sniff of the goals that couldn't be stopped by goal keeping extraordinaire Aiden Lau. The always calm Charlie Wilcox left his opposite number asking for extra oxygen on multiple occasions as he strode up and down the left flank, leaving all those who dared to stop his forward progress in his wake. Young Jake Musgrave

also proved invaluable – his strong ball control and vision helped to set up 6 of the goals scored. The young Ashgrove men should be proud of their efforts on Saturday, a truly professional performance and one that will no doubt leave future opposition dreading a visit to Ashgrove.

Player of the Match: Jack McCormick and Zac O’Ryan

6C

MCA 5 – SLC 0

This was the 6C Football team’s first ever time playing together as a group. They did an impressive job of working together. Our defenders worked very hard to make sure that our goalie, Harry Cook, was not put under too much pressure. However, when SLC did have a shot at goal, Harry had some very impressive saves. Well done boys!

Player of the Match: Harry Cook

MCA 17 – ATC 0

The boys from the 6C Football team must have remembered to eat their breakfast on Saturday morning as they racked up a 17-0 victory against a spirited ATC side. Ashgrove dominated from the outset with goals flowing from the first minute of play thanks to some lovely ball movement courtesy of the Tealby twins that found Fletcher Wessling in space, allowing him to calmly strike the ball into the back of the net. Not impressed by one goal, Fletcher racked up another 2 and contributed to several more in an outstanding performance. Will Lambley and Adrian Garbellini also joined in on the goal scoring masterclass as the two found the goal on four occasions each with strikes clinical enough to trouble most professional goal keepers. Toby Campbell also netted 3 of his own to prove to the opposition that he was even more dangerous in attack than he was in defence where he stopped anyone who was unfortunate enough to run his direction. Goals to Archie Mellifont and Daniel O’Keeffe as well as some outstanding saved by Harry Cooke ensured that Ashgrove took home a deserved win.

Player of the Match: Will Lambley and Adrian Garbellini

5A

MCA 3 – SLC 6

The boys had a slow start to the game, letting in 3 quick goals from the opposition. When they finally switched on, they produced some fantastic football with great passing and opportunities opening up. Marist were on top for most of the game with possession and continued to pepper Laurie’s, though their defence proved hard to beat. The team showed a lot of promise and I look forward to seeing lot of success and great results for the remainder of the season.

Player of the match: Harry Cootes

MCA 6 – ATC 3

The boys bounced back emphatically this week against a decent ATC line up. They worked the ball around effectively together, combining their training by putting their opponents to the sword. A phenomenal 4 goal haul by Quinn Lovering laid the groundwork matched by some clutch goalkeeping by Elliot Broadfoot ensured the W for the mighty 5As.

Player of the match: Quinn Lovering

5B

MCA 6 – SLC 1

A very good effort to start the season with the boys putting great teamwork to use. Curtis helped to control the midfield while Massimo managed to grab a hattrick. Well done to all the boys

MCA 8 – ATC 0

The first half saw a tightly fought contest with the boys going into the break 0-0. After half time the boys clicked into gear scoring 8 unanswered goals with Massimo scoring an incredible 6. Another fantastic team performance from all the boys.

5C

MCA 9 – SLC 0

In the 5Cs first trial match as a team, there were many pleasing aspects. Particularly, the strong defensive presence and structure that Ashgrove maintained, meant that our goalkeeper, Carter Gibson, was rarely troubled. Some silky skills were on show from the Ashgrove boys with the ball at their feet, and some accurate passing enabled our forwards to end up on the receiving end of some quality ball. As a result, Marist were able to capitalise on the additional possession and field position, running away with a number of second half goals to secure a strong first-up victory.

Player of the match: Charlie Cook

MCA 7 – ATC 0

A close first half encounter had the Marist team ahead 2-0. ATC's defensive structure proved quite strong with Marist trying to go around the opposition. In the second half, Marist played more a direct approach and subsequently skipped ahead with another five unanswered goals. A special mention must go to Felix Nolan for his superb free kick which curled into the back of the net. Isaac Mahoney was superb with a strong running game and fancy footwork, resulting in some wonderful individual goals.

5 Gold

MCA 4 – SLC 1

Marist, playing a man down in the second half, did a great job in the first game of the season, managing to score 4 goals against a tough SLC side. Some great teamwork was shown in the lead up to several of the goals, and was backed up by an excellent defensive game. Positive signs for the first game of the season and the boys should be proud of their efforts.

Player of the match: Darcy Mahoney

5 White

MCA 0 – SLC 0

Although being scoreless the 5 white team put in a valiant effort. For the first game of the season the boys put in a very large amount of effort and showed a lot of promise. We are looking forward to their development across the season.

Player of the match: Cooper Hayes.

Cross Country

Track and Field

AIC Track & Field Training Schedule

Monday	Tuesday	Wednesday	Thursday
